

March 2020

## Information for travellers

### Australian Government information

Travel restrictions are subject to change. Check the Australian Government website for the latest updates. The following links will help you find the information you need.

- [Latest travel restrictions and updates: – COVID-19 and the Australian border](#)
- [COVID-19 information for international travellers](#)
- [COVID-19 isolation guidance sheet](#)
- [Australian Border Force self-isolation advice](#)
- [Frequently asked questions](#)
- [Smart Traveller](#)

### Airport information

Australia's major airports are posting regular updates and useful links to travellers.
