

ONLINE EDUCATION COURSES

2023 COURSES NOW AVAILABLE!

Convenient, cost effective and compliant training, for every stage of your career

Through interactive and engaging content, the Australian Airports Association's (AAA) online courses ensure a strong retention of information that meets regulatory requirements.

Aerodrome Reporting Officer/ Works Safety Officer

Gain the theoretical knowledge to perform the role of an Aerodrome Reporting Officer or Works Safety Officer at an aerodrome.

MODULES INCLUDE:

- » The legal framework, aerodrome documentation, roles and responsibilities
- » Aerodrome infrastructure
- » Airside hazards
- » The OLS and declared distances
- » The WSO and aerodrome works
- » Wildlife hazard management
- » NOTAM awareness

EXPECTED TIME TO COMPLETE	ENROLMENT FEES (INC GST)
8 Hours	\$660

Aerodrome Reporting Officer/ Works Safety Officer Refresher

Refresh your knowledge and skills to ensure that your aerodrome operates in a safe manner.

MODULES INCLUDE:

- » The legal framework, aerodrome documentation, roles and responsibilities
- » Airside safety, airside facilities, lighting and markings
- » Airside driving, the obstacle limitation surface and NOTAM
- » Wildlife hazard management
- » Aerodrome emergency response and security aerodrome serviceability inspections

EXPECTED TIME TO COMPLETE	ENROLMENT FEES (INC GST)
6 Hours	\$440

Hidden Disability Awareness Training Course

Learn the specifics of hidden disabilities and how it relates to you in an airport context.

MODULES INCLUDE:

- » Hidden disability awareness
- » Inclusive environments
- » Supporting hidden disabilities

EXPECTED TIME TO COMPLETE	ENROLMENT FEES (EXC GST)
30 - 60 minutes	\$150

Short Courses

Introduction to Performing the Role of a Works Safety Officer (WSO)

Begin your Works Safety Officer career path with industry ready knowledge and skills.
