Applications close 5pm AEDT, Friday 11 October 2024

National Conference and Industry Expo 2024 scholarships are a major benefit of being a member of the Australian Airports Association (AAA).

Scholarships provide invaluable opportunities to attend the AAA National Conference and Industry Expo to learn, network, share knowledge, participate in discussions and support continuing professional development.

To emphasise the importance of these scholarships and continued education we have partnered with member organisations to award scholarships to individuals meeting the criteria.

## Eligibility:

To be eligible for the scholarship, applicants must:

1. Be an employee of a current financial organisational member of AAA
2. Be eligible to apply per the criteria for the scholarship
3. Complete all sections of the application form
4. Submit their application by the due date.

Please note, scholarships are limited, and submission of an application does not guarantee a scholarship to attend the National Conference and Industry Expo 2024.

You can verify your membership status by calling the AAA office on 02 6230 1110 or by emailing [membership@airports.asn.au](mailto:membership@airports.asn.au)
